revised since it was first passed by the Board, the chief items of increase being under the following heads:-

(a) Provision of a higher rate for land at Rs.1/- per Sq. Yd against the original rate of annas 8/- in consideration of rise in the market value.

(b) Provision of enhanced rate for certain parts of structures which have been restored since they were last estimated by the Improvement Committee in 1902.

(c) The inclusion of certain additional properties recommended to be acquired by the Sub-committee appointed for revising the old proposals.

IV. The net result of these modifications is that the amount of the revised estimate of the scheme has risen from Rs.1,40,237 to Rs.3,10,850/-. The revised estimate has been approved of by the Board of Trustees in their meeting dated the 27th March 1915. A copy of their resolution is appended. I solicit the favour of sanction of Government to the scheme, costing Rs.3,10,850/- as finally revised.

V I beg to forward herewith a declaration (in English and Kannada) with statement of land proposed for acquisition for favour of its being notified under your signature. A dozen copies of the printed declaration statements in English may kindly caused to be supplied for the use of this office.

VI. A beginning will be made to work out this project from the next official year, with the small provision of Rs.5,000/- made for it in that year's Budget estimate. Should the acquisition work in this area come in handy, necessity may arise to approximate expenditure from other heads for this purpose. The number of entire properties that will be affected by the execution of this scheme is 620. The owners of these properties as displaced will be provided with suitable building sites either at the Chamundi or at
